

## Bird/Crane Mobile

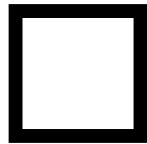

Bird/Crane Mobile can be used to display birds or cranes by making origami – the art of paper folding. There are hundreds of patterns for origami – fruits, animals, birds, modes of transportation, and so on. Use 2 sticks in a 'X' shape to display the birds or cranes. Hang mobile.

### Materials:

- A4 paper
- scissors
- crayons, colored pencils or paints
- white thread
- hole punch or darning needle
- straight stick, branch or metal rod

### Directions:

1. Get A4 paper. Make a square.

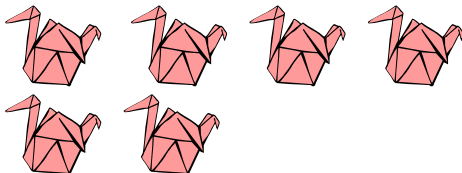

2. Log onto Internet and download a pattern of a bird/crane.
