

## Butterfly Mobile

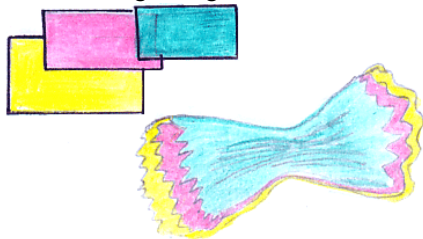

Butterfly Mobile can be used to display the varieties of butterflies. Use twine, yarn or string to fasten two sticks together in an "X" shape. Hang the butterflies from the sticks using string or thread. Add sparkle or glitter to the butterflies if available.

### Materials:

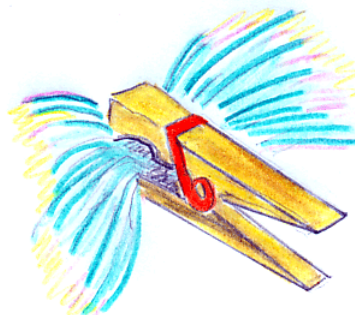

- colored tissue paper, magazine pages or colored paper
- ruler, scissors, white paste
- peg with a spring
- wire, string, thread or twine
- 2 twigs, metal rods or sticks

### Directions:

1. Cut out 3 rectangles of different colored tissue, recycled magazine pages or colored paper, each about 15 cm x 20 cm. Gather the 3 rectangles together in the center.

2. Open the peg and place the gathered paper inside.

3. Bend wire or paper clip in half; curl the ends to make antennae. Place the antennae in the peg. Add some paste to hold together. Color cover of peg.

4. Make 3 more butterflies.

5. Cross 2 twigs; join together with piece of string/twine.

6. Attach butterflies; hang-up.
