

Hoop Mobile

Hoop Mobile can be used to display themes such as career choices, colors, shapes, formulas, favorite story characters, parts of speech or a variety of other concepts. Use willow branch to make round shape. Hang the drawings using string or thread. Hang completed mobile at eye level.

Materials:

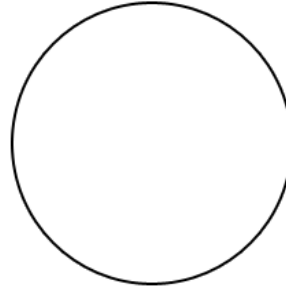

- crayons or markers, paper clips, scissors
- pictures from magazines or drawn pictures
- paste or glue
- yarn, string, or twine
- file folders, card or chart paper
- willow branch in circle shape

Directions:

1. Draw 20 favorite characters or cut out pictures from magazines or old books.

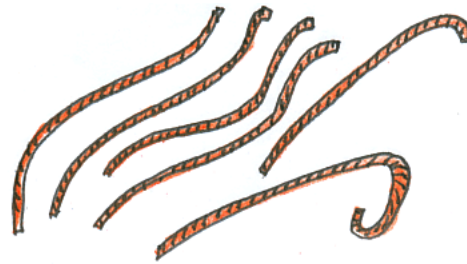

2. Trace around a glass to make a circle template. Use template to cut 20 circles from file folder, card or chart paper.

3. Paste picture on each side of the circle.

4. Cut 20 pieces of thread of different lengths.

5. Make small hole at top and centre of each circle. Insert paper clip. Tie thread to paper clip and hoop.

6. Attach a piece of short string to the center of hoop. Hang-up mobile.
