

Lid Mobile

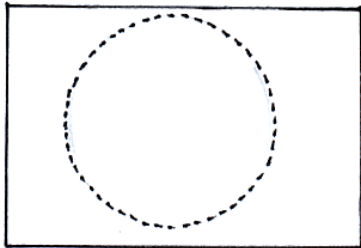

Lid Mobile can be used to display themes such as colors, shapes, formulas, story characters, members of a family, celebrations and holidays, animals in the state, or a variety of other concepts. Use straight stick or branch to hang lids with drawings. Hang completed mobile.

Materials:

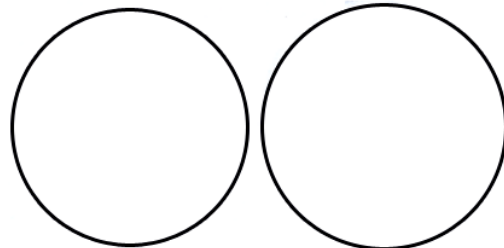

- crayons or markers, scissors, hole punch
- pictures from magazines
- A4 paper
- paste or glue
- yarn, string, or twine
- plastic lids from margarine, yogurt or other lids
- straight stick or branch

Directions:

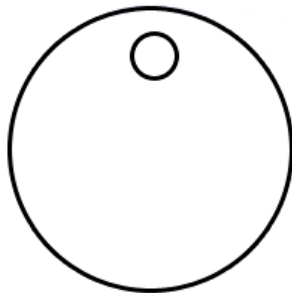

1. Take 6 lids. Trace lid with pencil on paper.

2. Cut out circles and glue one on the front and one on the back of each lid.

3. Make a hole at the top of each lid with a paper punch.

4. Decorate with crayons or markers.

5. Place thread through each hole and tie to the straight stick.

6. Attach a piece of short string to the center of stick. Hang-up mobile.
